14<sup>th</sup> November 2022

Dear Parent/Carer,

We are pleased to have introduced the School Gateway App to Jones Memorial P.S. This is an app that will facilitate engagement between home and school. From Thursday, 1<sup>st</sup> December 2022 all school related communication, for example, newsletters, reports and attendance information will be available through School Gateway. The first stage will involve parents/carers making payment for dinners, clubs and receiving notifications of newsletters etc.

Some parents have experienced difficulty in registering. Please ensure the school has your up-to-date mobile number and email address as this is required for registering.

To stay up to date with what's going on at school, make sure you download the free app. Simply search for School Gateway in your App store and download to your smartphone or tablet.

You will need to create an account using the email address and phone number that you have registered with school. A pin will then be generated for access to the app.

If you have any questions or would like further information, please visit the School Gateway site at [schoolgateway.co.uk](http://schoolgateway.co.uk).

You can also access the online version of the School Gateway via this website address if you do not have access to a smart phone or tablet, although we do recommend using the app if possible.

Yours sincerely

*S. Isherwood*

Mrs S Isherwood  
Principal
